Dear Michael Finnican and the 3256 Foundation,

I would like to thank you for your generous donation to my classroom. For the past three years, your donation and time spent in my classroom delivering toys has been the highlight of every year. The children, their families, my staff and I cannot truly thank you enough. It is not very often that I get to see such true bliss on the face of a child. But watching Santa bring them the toy that they asked for, and did not think that they would get, truly makes my year. Thank you for the opportunity to provide these children with such gifts.

Thank you again for your donation, and most importantly, your time.

Sincerely,

Lauren Lukasz
