Dear Mike:

On behalf of the patients, families, staff and volunteers of East End Hospice thank you for supporting our annual North Fork Spring Pig Roast Picnic. Your donation 500 Hamburgers and 300 Hot Dogs is most appreciated.

Your participation helps make this event even more successful and, more importantly, lets our North Fork neighbors know about the vital service Hospice provides. Without the generous assistance of people like you, we could not continue to provide the compassionate care that defines our philosophy.

Again—thanks for being a good friend of East End Hospice. We are truly grateful for your support.

Very truly yours,

Priscilla A. Ruffin
President & CEO
