Dear Mr. Finnican:

We are so deeply thankful for the 3256 Foundation's generous gift towards our 2017 Holiday Appeal. Your thoughtful donation of \$5,000 *In Memory of Michael Curtin* is greatly appreciated and will bring comfort to those who depend on the services that we provide. Assistance from the community is critical to our well-being and we are truly proud that you find the Ronald McDonald House Long Island deserving of your support.

Through your support, you are playing a big part in helping to provide relief to so many families in the midst of their child's medical crisis. As the House continues to grow, we take a great amount of pride in underscoring the special role that you and your generosity play in the sustained elevation of our programs. Your giving continues to be a pillar of strength for our organization and our overall success. As we refine our vision for the future, one goal remains simple – to provide all that we can for more families in more meaningful ways during a most difficult and stressful time in their lives. We do not do this alone and remain grateful for special friends like you who we rely on each year.

Thank you for being among the kind friends who help to turn our House into a Home each day, a special, hopeful place for our families. On behalf of them and their children, who benefit most from your support, thank you from the bottom of our hearts!

Warmest wishes for a Happy New Year.
