Dear Mr. Finnican,

Thank you, sincerely, for your kind and most generous gift of \$5,000.00 given on 12/27/2017 ***In memory of Sergeant Michael Curtin*** to benefit Shriners Hospitals for Children. This gift will be used to the best possible advantage in the care and treatment of the patients in our hospitals.

As you may know, Shriners Hospitals for Children is a health care system of 22 hospitals dedicated to improving the lives of children by providing specialty pediatric care to children with orthopaedic conditions, burns, spinal cord injuries and cleft lip and palate. Children up to age 18 are eligible for admission and receive all care in a family-centered environment, regardless of ability to pay.

Thank you, again, for your charitable contribution. It is only through the generosity of donors like you that we can continue our work for the children served in our hospitals. If you have any questions or would like any additional information, please contact me directly.

Warmest wishes,
